

Life After CHLA

Education Workshops for Parents of Adolescents & Young Adults

Feel free to join one, or both, of our virtual workshops to learn how to best prepare yourself and your youth for adulthood and adult care.

Preparation and practice are key!

Alternatives to Conservatorship: A Spectrum of Decision-Making

Learn about all the planning options available to continue to support your youth in decision-making as they become an adult

Presented by: Alberta Kaichian, MSW, LCSW, CCTP

Thursday, April 25, 6-7:30 pm

Perspectives From Experience: Key Lessons Learned From Parents & Patients

Learn tips and strategies from parents and patients who have successfully transferred to adult care

Presented by: Panel of former CHLA patients and parents

Thursday, May 9, 6-7:30 pm

Workshops will take place via Zoom.

Register for one or both workshops using one of the methods below:

- Click [here](#) to register
- Enter the link below into your web browser:
