

## Volunteering for Camp CHLA 2025

Past Camper,

We are excited that you are interested in joining us again at Camp CHLA! Our volunteers are vital to the success of our program as they dedicate their time both during camp and behind the scenes. Every year, we have spots available for past campers to be a part of the Camp CHLA Team. Like Camp CHLA applicants, prospective volunteers need to apply and complete an interview and onboarding process if selected to proceed.

We are looking for individuals that possess strong communication and organizational skills. You must be self-directed and proactive in assisting with various tasks in a team setting. You must demonstrate respect for others in your daily interactions. Lastly, you must be passionate about Camp CHLA's mission to inspire the next generation of health care leaders and represent Children's Hospital Los Angeles as one of the world's leading pediatric hospitals.
